To Whom it May Concern:

Pete Silva has been supporting VM Services, Inc by providing PCB products and equipment for over 10 years. Our experience with Pete Silva has always been very positive. Pete is a conscientious person mindful of our needs. He is very patient and politely persistent when scheduling meeting and presentation.

In addition to supplying us with products and equipment, Pete Silva keeps us abreast of new technologies and is always willing to share the latest technological innovation. Pete Silva has become a trusted resource and partner.

Throughout the years we have learned to appreciate the high levels of service Pete Silva repeatedly provides through his in-depth product knowledge, dedication to our needs and requirements.

A handwritten signature in black ink, appearing to read 'Adzahan Samat', with a long horizontal flourish extending to the right.

Adzahan Samat

Snr Engineering Manager
